QUANTICO OFFERS SITE FOR U. S. ARMOR PLANT

Special to The Washington Herald. Fredericksburg, Va., Oct. 1.—Quantico has entered the competition as a contender for the location of the government's \$11,000,000 armor plate plant. Her claims are being boosted by Fredericksburg and Manassas.

In the brief filed with the Secretary of the Navy and the Advisory Board, Quantico cites its nearness to the naval proving grounds at Indian Head and the fact that it is only thirty-five miles from Washington.

Quantico has also offered to donate a site of from 50 to 300 acres. This would be a saving to the United States of \$1,000,000, it is asserted.
